# 23

SEPTEMBER  
**2020**

1600 -1730 CET

### JOIN THE GEM FOUNDATION WEBINAR: AN OVERVIEW OF 10 YEARS OF OPENQUAKE

The webinar will feature presentations from the public, private and academic sectors on their experiences with GEM's flagship product. The webinar will also be an opportunity to gather recommendations from the community of users and discuss possible future areas of OpenQuake engine collaborative development.
